

UNICAMMOBILITA CARD – Rules and characteristics

Students interested in the free travel document called “UnicamBus” for the urban bus service in Camerino and the extraurban bus service to/from Castelraimondo and Matelica (1) must:

- Be regularly enrolled to the University of Camerino;
- Go to the ticket office on the ground floor of Contram SpA in Via Le Mosse, Camerino (from Mondays to Saturdays from 8.30 am to 1.30 pm). Students must bring their university booklet (students that don't have their booklet must bring their enrollment certificate that contains their registration number), email and tax code. They will then receive for free their UnicamMobilita card and the first monthly pass;
- Download the free APP Contram Mobilità available for Android and iOS and register their UnicamMobilita card: in the area CARDS they will see their personal data and the monthly pass with the expiry date;
- From now on, students must access from their smartphone the CARDS area and renew their pass by clicking on the RENEW NOW button (or ACTIVATE NOW if the previous pass had expired). This procedure is free;
- In case of pass control on board the bus, students must show their smartphone and UnicamBus card or their paper card released the first time. The ticket inspector will verify if the pass has been renewed.

The pass expires after 30 days from its release. Following passes can be renewed through the app, as above explained, or at the Contram ticket office. All information on passenger rights and responsibilities and on penalty fares can be found in the website www.contram.it. Urban line timetables are in the website of Contram SpA.

(1) during all the earthquake emergency period, students living in Castelraimondo and Matelica can use the UnicamBus card to reach the University of Camerino and have access to all services (lessons, laboratories, refectory, libraries, sport plants **etc.**)
